Following the Menin Gate Memorial opening in 1927, the citizens of Ypres wanted to express their gratitude towards those who had given their lives for Belgium's freedom. As such, every evening at 20:00, buglers from the local fire brigade close the road which passes under the memorial and sound the "Last Post". Except for the occupation by the Germans in World War II when the daily ceremony was conducted at Brookwood Military Cemetery, in Surrey, England, this ceremony has been carried on uninterrupted since 2 July 1928. On the evening that Polish forces liberated Ypres in the Second World War, the ceremony was resumed at the Menin Gate despite the fact that heavy fighting was still taking place in other parts of the town

My tour summary.....

"A typical Crusaders Tour can best be summarised as good and varied cricket, great company, extremely well organised and fantastic socialising with plenty of laughs - a thoroughly enjoyable time with like minded cricket lovers. There is also plenty of opportunities for the tourist, with ample time at each destination for exploring relevant sights. 2009 was our second Crusaders tour with both providing many highlights. However, without doubt, the most treasured aspect of these trips has been the lifelong friends made from these tours. We have enjoyed both trips immensely and have no hesitation in recommending a Crusaders Tour to anyone contemplating joining future tours...."
